CHILD CARE STAFF RECEIVING BENEFITS / 2019

The Illinois Department of Employment Security (IDES) reported median yearly wages for 2020 for four early care and education occupations (Educational Administrators of Preschools/Child Care Programs⁵, Kindergarten Teachers⁶, Preschool Teachers⁷, and Child Care Workers⁸); however, limited data was available for the six counties in this report. As such, median wages for the state of Illinois are included for reference.

Although the specific occupational definitions differed from IDES descriptions and the *Illinois Salary & Staffing Survey* descriptions, salaries were rather consistent with one another in that wages within IDES's preschool teacher and child care worker categories and the *Illinois Salary & Staffing Survey* child care staff categories were within the same range; however, it should be noted that the IDES's definition of child care worker includes a provider working in either a center or family child care home which is differentiated by the *Illinois Salary & Staffing Survey*.
