CHILD CARE STAFF RECEIVING BENEFITS / 2023

The Illinois Department of Employment Security (IDES) reported median yearly wages for 2022 for four early care and education occupations (Educational Administrators of Preschools/Child Care Programs⁴, Kindergarten Teachers⁵, Preschool Teachers⁶, and Child Care Workers⁷) for three out of four counties in this report – Boone, Stephenson, and Winnebago.

Although the specific occupational definitions differed from IDES descriptions and the Illinois Salary & Staffing Survey descriptions, salaries were rather consistent with one another in that wages within IDES's preschool teacher and child care worker categories and the Illinois Salary & Staffing Survey child care staff categories were within the same range; however, it should be noted that the IDES's definition of child care worker includes a provider working in either a center or family child care home which is differentiated by the *Illinois Salary & Staffing Survey*.
